Application No.

Constation of 2. NOTE: The proposed combination of limitations in claim 57 and 69 (human cells + SV 40 large T antigen gene) was not equired previously and would require new considerations under art. Proposed new claims 58 and 75 have a limitation not previously required.

Continuation of 5. does NOT place the application in condition for allowance because: the arguments are based on the proposed amendment which has not been entered; therefore, applicants' arguments are moot. The pending claims remain rejected for reasons of record.
